Experienced Java Developer seeking to leverage his technical and professional skills and be a valued asset to your esteemed organisation.

Overview

- A budding professional with 2+ years of experience in Java, AngularJS and Rest Services.
- Currently associated with TCS and working for a Netherlands based bank.
- Expertise in Core Java, JSP, Servlets, Git & GitHub, Maven and tools like IBM UrbanCode Deploy.
- Have been to Amsterdam for face to face client interactions and co-operate closely with the product teams.

Skill Set

Technologies: Core Java, AngularJS, Rest Services, JSP & Servlets, Spring Framework, Firebase, Java Swing.

Servers: WebSphere 8.5.

OS: Windows 7, 10, Redhat Linux 6.5.

Applications: Eclipse, Git & GitHub, UrbanCode Deploy, Jenkins, Nexus, Maven, HP-ALM, SonarQube.

Responsibilities

- Created multiple dialogs and screens using AngularJS.
- Migrated multiple applications from the current HVE environment to Cloud.
- Created multiple web services using Rest Framework.
- Create subsequent scripts for deploying the applications to the cloud environment.
- Collaborated with multiple users using Git & GitHub.
- Have created various utilities for automating various aspects of Cloud migration process.
- Have used Firebase NoSQL database for a small client based application.
- Troubleshooting and debugging problems on a day-to-day basis.
- Adept in operating with Linux and providing custom scripts.
- Managing requirement gathering, system analysis and finalisation of technical specification of the current applications.
- Co-operating with multiple vendors on a daily basis for efficient management.
- Created various macros using Excel for automating various aspects of the project.

Highlights

- Appreciated by the client for creating an automation utility using Core Java and Swing.
- Awarded the "MatcH player of the quarter" on March 2016 for my dedication and effort to migrating a rather complex application.
- Got 2nd prize for Hackathon arranged at account level.

Academia

- Bachelors in Engineering – Electronics and Telecommunication from SIES Graduate School of Technology, Nerul, Mumbai University, Secured 69.6

Personal

Date of Birth – 12th of May, 1992.

Residential Address – 7/401, Sarvodaya Ashish, MIDC Road, Thakurli East, Thane District.
